SCHOLARSHIP OVERVIEW

Youth Opportunities aim is to empower young people by giving them the skills and tools to become leaders in their lives, build resilience and thrive. Youth Opportunities Personal Leadership Program is delivered to year 10 students across South Australia. The program focuses on setting and achieving goals, increasing motivation and future direction, increasing positive communication skills, developing confidence and cultivating long-term happiness.

This year Youth Opportunities launched a scholarship program, open to students who have completed the Personal Leadership Program, to help them achieve further study or work-related goals.

In 2017, a total of 27 young people were awarded scholarships. Five recipients received the Kain Foundation Northern Opportunities Scholarship

The Northern Opportunities Scholarship has allowed me to build on the foundations laid out during the Personal Leadership Program. This includes gaining a better self-esteem and increased confidence in social activities

STUDENT QUOTES

The scholarship will help me to reach my personal goals because I now have everything I need. The laptop will be very useful as our school is switching to technology-based learning. I have been very curious about learning psychology and will use the extra funds supplied to me to purchase books to support me in that direction.

Deeplove Bhandari

The Northern Opportunities Scholarship has allowed me to build on the foundations laid out during the Personal Leadership Program. This includes gaining a better self-esteem and increased confidence in social activities.

Kittatam Saisard

Tutoring has really helped me reach my full potential in physics and maths. It has improved my day to day life by taking the stress off my shoulders.

Lachlan Hall

I am extremely honoured to have received a scholarship. It is more than getting a laptop, it's proof that I am succeeding in my life and I the belief that I can go further in the future. It shows me that being a personal leader is paying off and I will keep striving to be the best person I can be.
